Cuartel 8D reflects the faithful legacy of the pioneering spirit Kingston had when the Pinot Noir was planted in the late 1990s. This cuartel has played a fundamental role in the creation of some historic wines produced by the Kingston winery in the past 25 years. It represents the maximum potential explored by Kingston in this relatively young valley. Year after year, this wine possesses earthy and wild notes, with a touch of rosemary and a great body on the palate. Out of the 2022 Pinot Noirs, this vintage has the greatest structure and most complexity. The aftertaste contains flavors and aromas that bring back those wild notes, with a delicate bitterness that gives the wine a long finish. It is ideal accompanied by an onion soup or a tasty coq au vin.
