CJ's Barrel Pinot Noir comes from our most challenging vineyards that annually drive us to improve and progress in our viticulture. This wine arrived with great balance; in aroma, it presents delicate citrus touches, as well as notes of fallen leaves, bark, and pine forest. In the mouth, it possesses the strength and personality of the warm year, with a fine and delicate grain that coats the palate and leaves behind a long finish. The aftertaste perfectly balances structure and acidity, maintaining that citrusy freshness. Wines of great complexity like this one are best enjoyed a few minutes after opening. This wine would be best paired with a mushroom pasta or a ricotta ravioli.
