The 2022 Lucero Syrah has a wild and rugged character, reflecting the nonconformity of a challenging and unpredictable harvest year. A well-structured wine with high tannins cut by a juiciness that is bright and enduring in the mouth. Aromas of blueberry, fig, and mature plum and, on the palate, notes of black pepper, merquén, rosemary, and light wood—an interplay of flavors that endow the wine with a roundness and complexity. Pair with meats high in fat, a charcuterie board or, as a dessert option, a tart raspberry pie.
